Election day at the University was a dull affair. It all resolved itself into a question of which ticket was stronger, but as we write this, the result is unknown. Probably the margins of victory in most cases will be close, but just think of the fun we'd have if several independent candidates were injected into the race—like last year's election, for example.

And after the victory is won, all that is given is a mere photograph in the Cherry Tree. Even this picture is sometimes lost. Witness the case of the page layout of the photographs of the Board of Editors of The Hatchet. This page will appear with three instead of seven pictures because the photographer fell down on his job, and because the Annual staff failed to ask The Hatchet editors to submit substitute photos, so that the layout might be complete.

And all this after the publicity which was given the Cherry Tree.

But with omissions such as these, it looks as if the new ruling of the Cherry Tree to the effect that no person can work on the annual and any other publication is all wet. What the yearbook needs is someone who has had experience in cussing printers and photographers (and whisper it, even the staff) until the desired results are obtained.

Seniors are less optimistic these days. Back in 1926 about four thousand dollars were subscribed to the Graduate Endowment Fund, and last year the pledges totaled approximately seven thousand dollars. This year, we hear, only fifteen hundred dollars are lined up—only fifteen seniors have promised to pay a total of one hundred dollars each over a period of ten years.

With the first payment not falling due until June, 1929, it seems as if our seniors are afraid they won't earn ten dollars between now and then. Looks as if the people who say college education is useless must be somewhere near correct. What?

News item headline says that "Ocean Coughs up Island." Seems like the beginning of an advertisement for Old Golds.

Our Washington correspondent observes that the reason the Phi Sigma and the Kappa Deltas won the Interfraternity and Intersorority relays, respectively, is that the teams got in practice running china and silverware back and forth. Unfair competition hasn't been claimed yet, we understand.

Some college in New York says it has the ideal co-ed—she doesn't smoke, drink, or pet. Aside from the question of what enjoyment the young lady gets out of life, we are compelled to admit that we are unacquainted with even one here at George Washington who doesn't do at least one of these vices.

The Interfraternity Council met in Dean Doyle's office for its first meeting after the interclass track and field meet. The reason is that no fraternity was willing to trust its delegate in the house of another during this critical period. A vote of confidence ought to be in order.

The interclass track and field meet was won by the Sophomores, amid the cheers of all ten of the spectators. Personally, we sat in the stands for fully twenty minutes, and didn't see anything happen. Our better judgment prevented us from getting out on the track and running ourselves, but it might have been nice if at least one race were held every half hour or so.

One reason for the lack of a crowd perhaps, was that the faculty refused point-blank to play the Pyramid team for another week. Of course, the reason they didn't play was because they didn't want their defeat published in this, the last issue of The Hatchet.

We hope the President won't pitch, for the last time one did, it took five innings and fifteen runs to remove him from the box. And besides, we want to see who this faculty mystery pitching ace may be.

With all the new boards of editors being chosen, the outlook for the future in every publication is bright, but only The Hatchet can claim an Angel as its chairman. Yes, children, this is the last pun of the year.

The Hatchet will still keep its lofty ideals, however, for the retiring chairman is a Starr. What a heavenly paper!

Yes, Madame Editor, I'll stop writing in just a minute.

Now, little boys and little girls, be real good and pass your examinations, and your little playmate will see you next year—maybe!

"Thirty."

At a meeting of the Board of Editors of The Hatchet, held Sunday, May 20, Herbert E. Angel was unanimously elected chairman of the Board for the coming year.

Alice Graham was at the same time elected secretary of the Board and Hatchet representative to the Publications Council.

Other members of the Board of Editors for next year are A. Frank Kreglow, business manager, Betsy B. Booth, Julia L. Denning, Pern E. Henninger, Donald H. Iglehart, and Maude I. O'Flaherty. They were recommended to these positions by the Board of the current year, whose action has been approved by the Faculty Committee on Student Activities.

Each member of the new board has been actively engaged in publications for at least one year.

Angel has served two years on The Hatchet, acting as junior and senior reporter, copy editor, and member of the Board. He is also Features Editor of the Cherry Tree and member of Pi Delta Epsilon, national honorary collegiate journalism fraternity. He was founder and editor of Strayer Topics, the newspaper of Strayer Business College, and has contributed to the Ghost and Wig.

Alice Graham rose from reporter in her first year on The Hatchet to member of the Board in the present year. She is a member of Gamma Beta Pi, Gamma Eta Zeta, of which she is president, Hour Glass, Sphinx, and the Women's Advisory Council.

Kreglow was Business Manager of The Hatchet this year, a former Business Manager of the Cherry Tree, and a member of Sigma Alpha Epsilon and Pi Delta Epsilon.

Betsy Booth has been reporter and Women's Sports Editor. On the Cherry Tree she was Assistant Dramatic Editor this year and has been appointed Dramatic Editor for next year. She is to be the secretary of Gamma Eta Zeta in 1928-29, and is a member of Chi Omega.

Maude I. O'Flaherty, of Kappa Delta, was a junior reporter on The Hatchet the last semester of last year and has been a senior reporter all of this year. Gamma Eta Zeta has elected her Vice President for next year and representative to the Women's Advisory Council.

Columbia Univ. Student Plays Appear in Book

"Copy 1928," Anthology of Student Plays, Published Under Auspices of Writers Guild

"Copy 1928," a book of four complete plays from the work of students in the play writing courses at Columbia University, is off the press and available for sale. These plays were selected by a committee of six prominent playwrights, and comprise in their opinion the best work done at Columbia this year.

Hatcher Hughes, who won the Pulitzer Prize with his play, "Hell Bent For Heaven," wrote the introduction to the volume. D. Appleton and Co. are the publishers of the book.

"The Man with the Book," a play in six scenes by Agnes Porter, is a short bit of drama suggested by the life of Samuel Johnson. "Release," a three-act melodrama, sustains interest throughout. "His Father's Boots," by Carol McMillan, takes several unexpected turns. Hazel Christie MacDonald's "Meeker and Meeker," is a clever portrayal of the life of a small town "door mat."

This anthology of student-written work has been published for several years past, and this year is devoted entirely to student-written drama. The Writers Guild of Columbia University is sponsoring the volume.

The aim of the Board is to produce a magazine which will appeal to the whole University including the more mature night students, and those doing graduate work.

Those who want to try out for sub-editorial positions will work on the first issue next year, but the names of assistant editors will not be published until the final staff has been decided upon.

A joint meeting of Editorial and Business staffs was held last night, at which the number of issues to be put out was discussed, together with other matters of importance to the continuance of the Wig.

DEBATING RECOGNIZED

Official awards for members of the University debating teams, although rather late in being inaugurated, meet with our most hearty approval.

One of the primary purposes of a university is to develop the mind. It has been hard to continue to believe this in view of the fact that membership on athletic teams has received official recognition, while efforts made in connection with more cultural extra-curricular activities have not. It has seemed peculiar that in a University which exists for mental training, the men who are put forward for positions of honor are not the orators, editors, or scholars, but the men who can run fastest, or can kick a football farthest.

These new awards, in addition to furnishing a reward to those who have already taken part in debating, should help to arouse general student interest in that activity. If properly supported, a good debate can be as interesting as a track meet or a football game. It will be a real credit to the student body of George Washington University debating receives the proper support from it—if those whose purpose is to acquire culture can show the same interest in a contest of the mind that they do in a football game.

SCHOLARSHIP WINS AGAIN

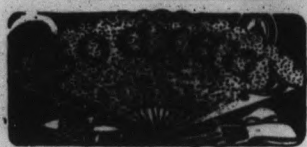

George Washington University again scored new laurels in scholarship a few days ago upon the presentation of a cup to Woodrow Wilson Senate of the Delta Theta Phi Law Fraternity for having attained the highest rating of any Senate in the national organization for the year 1925-1926. Thus in a measure is rewarded our University for the increasingly higher standards of legal learning and application that has characterized our professional and academic schools in recent years.

There have been those who have complained that in these modern days the standards which were insisted upon in the past have been laid aside and a mediocrity of scholarship has replaced the former severe requirements of our universities. To those we would answer that one of the products of our modernity is a differentiation into restricted fields of professional endeavor and that consequent upon such differentiation a very high degree of competition has developed. Therefore, at George Washington in order to adapt our graduates to modern needs, we have raised the standards of entrance and graduation in keeping with the requirements of the professional associations and still our students win meritorious recognition in the competition with similar groups in other universities. To such, and in this instance to Woodrow Wilson Senate in particular, we extend our salutations with the hope that others may follow in your footsteps.

AVE ATQUE VALE

After one last Sunday night dedicated to the usual alarms and excursions necessary to the production of any publication, that member of the Board of Editors who is "it" for this issue has risen up and announced that copy is up and that work on The University Hatchet for the year 1927-28 is over.

Although certain trifling formalities, such as exams, and graduation, remain, the year, for The Hatchet, is over. It has been a good year, for the University and for The Hatchet, and for those undergraduates who have been permitted to work on its staff. It has been a year of work, but it has also been a year of laughter, and for that privilege of work, and laughter, and companionship, we are grateful.

THE rapid and inevitable approach of exams hold entirely too much horror to be mentioned lightly in a column supposedly devoted to the frivolities of society. Therefore, we can attribute the present collapse of social life only to unknown causes, and predict a sudden and complete recovery of activity after this menace has passed.

Kappa Alpha's dance given at the Bannockburn Club on Friday, May 18, was even more of a success than it was predicted to be—which is saying a great deal. The usual number of other fraternity guests were present.

Theta Upsilon Omega will give its final party at the chapter house on Saturday, June 9.

S. A. E. will hold its closing dance at the house on Friday, June 8.

The goats of Kappa Delta gave their final effort as goats in the form of a party for the active members at the sorority house on last Saturday.

Mrs. Roy L. Neuhauser, alumna of Chi Omega Fraternity, entertained last Sunday at her home on Kalorama Road, with a tea, given for out-of-town Chi Omegas. Judge Mary O'Toole was initiated into the alumnae chapter at the tea.

Alpha Chapter, American University, and Beta Chapter, George Washington University, Phi Delta Gamma, are planning a joint banquet to be held at the Grace Dodge Hotel, Thursday evening, June 14.

Many of G. W.'s fraternity men were present at the last dance of the Circle Club given on Saturday, May 12.

Phi Alpha Chapter of Chi Omega Fraternity announces the formal pledging of Nellie Henderson on Monday, May 21.

Mrs. Frank M. Gentry, visiting Province Secretary of Alpha Delta Theta, was entertained by the active chapter at luncheon, Saturday afternoon, May 19, at the Club St. Marks.

Alpha Delta Theta announces the officers for next year: Mary Mattingly, president; Oneda Brown, vice president; treasurer, Elizabeth Miller; corresponding secretary, Helen Bab; recording secretary, Helen Holiday; assistant treasurer, Ruth Chinblom; chaplain, Frances May, and editor of the sorority paper, Elizabeth Ford.

Elections of the Washington City Rho Chapter of Sigma Alpha Epsilon, held at its last meeting, resulted in the following officers for next year: President, Don Iglerhart; vice president, Arthur Mitchell; secretary, Jack Corcoran; treasurer, Bill Licklider; correspondent, Scott Rigby; herald, Howard Texter; chaplain, Bob Enoch; interfraternity delegate, Bill Licklider, and chronicler, James Sanner.

Kappa Sigma held its spring formal at the Willard on Saturday, May 19. It was announced last week that this dance would be held on Friday. Our error—we apologize.

Emma Thom entertained Beta Chapter, Phi Delta Gamma, at a tea, Sunday, May 13, from 4 to 6 o'clock. Evelyn Jones assisted Miss Thom. At a short business meeting following the tea, officers were elected for the ensuing year. The officers elected are: President, Ora Marshino; vice president, Mary J. Cole; recording secretary, Margaret A. Klein; corresponding secretary, Emma Thom; treasurer, Nina Booth; chaplain, Edith Haydon; and historian, Florence E. Wallace.

A picnic luncheon held at Mrs. Rawlinson's home, Red Gables, on Saturday 19, formed the final meeting of the Economics Club. Mrs. Halley was the guest of honor.

The members assembled at school and were driven out in cars. An open fire furnished a suitable background for the fortune telling that took place. The lunch provided by the club was greatly added to by the contributions of punch and little cakes by Mrs. Rawlinson.

Chi Sigma Gamma, the honorary chemical sorority of George Washington University, was at home last Sunday afternoon, May 13th, to local members of Iota Sigma Pi, national chemical sorority. The refreshments were delightful and the decorations charming, the color scheme representing that of Chi Sigma Gamma. Mrs. David Milton Ladd received and Miss Helen Jones assisted at the tea table. The guests were Mrs. L. E. Warren, Mrs. Oliver Gish, Dr. Gerkin, Miss Ruth O'Brien, Miss Emily Grew, and Miss Olive Hartley. Miss Marie O'Dea, founder of the local sorority and former instructor at George Washington University, was also present.

Thirty-five couples enjoyed the picnic of Sigma Chi at Great Falls last Sunday. An adjourned session was attended by many at Glen Echo later.

Chi Sigma Gamma, chemical sorority of the George Washington University, founded April 30, 1923, put eight promises through formal initiation on Sunday afternoon, April 29th, in an impressive ceremony. They were Verlin Estelle Miles, of Vienna, Va.; Erdine Rosalind Timberlake, of Washington; Monica Catherine Snyder, of Philadelphia; Judith Leroy Steele, of Birmingham, Ala.; Grace Young, of Washington; Carolyn Hannah Synder, of Philadelphia; Cora Lee Schubert, of Knoxville, Tenn.; and Carolyn Eastman Seibert, of Chambersburg, Pa.

On the evening following, the Annual Founders' Day Banquet of Chi Sigma Gamma took place in the Alcove of the Club St. Marks on Connecticut Avenue.

Kappa Delta Sorority held their initiation banquet at the Tally-Ho Tavern, Sunday, May 20.

Alpha Delta Pi held its Founders' Day Banquet on the evening of Thursday, May 15, at the Carlton Hotel. Those patronesses present were: Mrs. Reudiger, Mrs. Bolwell and Miss Daisy Watkins. Miss Margaret Maize was toastmistress and introduced the following speakers: Miss Watkins, Miss Helen Stout-ameyer, president of the Alumnae Chapter, and Eugene Le Merle, president of the active chapter. The music for the occasion was furnished by Dorothy Albert, Virginia Crocker, Bernadine and Mary Cecilia Horn.

Clouie Senetierre and Barbara MacFall spent the week-end of May nineteenth at Annapolis.

Mary Cecilia Horn plans to spend the week-end of May seventh at a house party in Pennsylvania.

Helen Walten and Julia Denning spent the week-end of May 19th at Harper's Ferry.

Kappa Delta Sorority announces the formal initiation of Mary Crowley, Madeline Cornell and Hazel Gahard on Sunday, May 20.

Officers of Alpha Epsilon Iota, women's medical fraternity, for the coming year were installed at a meeting held Saturday, May 12, in the Women's Building. The officers are: President, Alice Heyle; Vice-President and Corresponding Secretary, Blanche Tabor; Recording Secretary, Alma Jane Spear; Treasurer, Katherine Kinder. Plans were made for pledging ceremonies and the annual banquet on June 2.

Kappa Delta Sorority are having their Spring Formal at the Congressional Country Club, Friday night, May 25th.

SOPHS WIN WITH GREAT TOTAL IN INTERCLASS RUN

Gene Wineland And Mary Ewin Win Individual High Point Trophies

PHI SIGMA KAPPA, KAPPA DELTA WIN RELAY RACES

Gray Sprints to Dramatic Victory to Win H. W. Crum Cup for Phi Sig

By WILLIAM F. DISMER, JR.

Piling up a total of 80 points, the Sophomores outclassed all rival classes last Saturday afternoon, and easily won the fifth annual inter-class Track and Field Meet held under the auspices of the Men's G. W. Club, composed of major letter men of George Washington University. To them will go the Louis A. Fischer Memorial Trophy, which is awarded each year to the winner. This trophy was won last year by this same class, then Freshmen.

Far behind the Sophs were the Seniors, who took second place with 42 points, while the Juniors were third with 37, leaving the Freshmen on the bottom with 24. The Graduate School can hardly be classed as a competitor as it scored only one point.

Relays Feature

As expected, the feature events proved to be the Inter-sorority and Inter-fraternity relays.

Kappa Delta again proved its right to the cup won last year, when they were again winners in the Inter-sorority relay after a bitter fight with two other contenders. K. D. took the lead at the start and were never headed, although barely nosing out Phi Mu at the finish. The apparently bright chances of Pi Beta Phi were greatly handicapped at the start when the first runner unluckily dropped the stick. This, however, takes nothing from the Kappa Deltas, who proved their superiority by real merit. Those carrying K. D.'s colors to the front were: Effie Wade, Melanie Uhlig, Helen Humphreys and Dorothy Greasley, who ran their 200-yard race in 31 seconds. They will be presented with the Inter-sorority relay cup, donated by the Pan-Hellenic Council.

Relay to Phi Sig

The Inter-fraternity Relay was decided only after a gruelling pair of heats and a thrilling finish in the final heat in which the Phi Sigma Kappa team triumphed in a brilliant race. Due to the number of teams, two heats were held.

In the first heat, Sigma Nu won, closely followed by the Phi Sig. In the second heat, Theta Delta Chi came in first and Sigma Chi second. These four teams then assembled for the championship race.

For the Phi Sig team it was a glorious triumph. After seeing his team trail for three-fourths of the course, Gray proved the right man for his important anchor position, and exhibiting a burst of speed, caught up with the field and passed them all to romp in ahead at the finish. Sigma Nu was represented by a strong team and ran a close second to the speedy victors. The other members sharing in the Phi Sig victory were: Martin, Press and Slye. Their time was 48 2-5 seconds.

This victory will give them the Inter-fraternity Relay cup, donated by H. W. Crum, Director of Athletics, who, incidentally, is a Phi Sig himself.

Wineland Wins Probe Trophy

The winner of the Men's Individual Point Trophy, donated by T. F. Probe, Coach of the Varsity Track team, was Eugene Wineland, a sophomore, who scored 17 points in leading his class to victory.

The winner of the Women's Individual Point Trophy, donated by the Women's G. W. Club, was Mary Ewin, a senior, who obtained 13 points.

The meet was very well handled, and the events were run off in an orderly way by an able group of officials. Coach Thomas F. Probe officiated as starter, while Harold Young and George Martin acted as clerks of the course. Included in the judges and timers were: Miss Davis, Assistant Director, Women's Athletics; Dr. E. J. Grass; Henry McClellan and George Weeks.

Winners of Men's G. W. Club medals, donated by the G. W. Club follow:

Second Place Gold Medal (open events)—Stearns, Senior, 15 points; Third Place Silver Medal (open events)—Elliott, Sophomore, 13 points; Fourth Place Bronze Medal (open events)—Stehman, Junior, 10 points; First Place Bronze Medal (mile run)—Pomeroy, Sophomore; First Place Bronze Medal (2-mile run)—Martin, Senior; First Place Gold Medal (closed events)—Stevens, Sophomore, 13 points; Second Place Silver Medal (closed events)—Thomas, Sophomore, 11 points; Third Place Bronze Medal (closed events)—Stanley, Freshman, 9 points; Second Place Gold Medal (Women's events)—Pope, Junior, 11 points; Third Place Silver Medal (Women's events)—Crumley, Sophomore, 10 points; Fourth Place Bronze Medal (Women's events)—Snyder, Freshman, 8 points.

Kerferle, (Senior), was winner of the Bronze Place Medal (awarded to winners of events who do not win point medals)—donated by Men's G. W. Club).

ARMY SIX DOWNS G. W. RIFLEMEN

Campbell, of George Washington, Takes Individual Honors In Match

G. W. LEADS AT START

Match is Last of Successful Season; Last Year for Five of Most Active Men on Team

G. W. riflemen lost the last match of the season when, firing under adverse conditions, they bowed to the strong West Point team.

Apparently suffering no ill effects from a sleepless night on the train, the Colonials stepped into the lead at 200 yards leading the Pointers by eleven points in the standing stage and increasing their lead by ten more points in the rapid fire stage. At the longer ranges, however, shooting an unfamiliar course in a blinding rain, they were forced to give up their advantage and the victory to the Academy.

Campbell Cops Honors

G. W. managed to cop individual honors, however, when Campbell out-shot Forrest of Army by one point for first place.

In spite of the defeat by West Point the rifle team finished the most successful season in years with this match. Winning from Navy, long considered the strongest collegiate team in the country, and taking both indoor and outdoor collegiate championships the riflemen outdid themselves in bringing honors to George Washington.

With the season over, five of the men most active in winning these championships have completed three years of shooting for G. W. and leave the realm of collegiate competition. These five men, Parsons, Campbell, Leighy, Riley, and Radue and in addition Lane and Harry Parsons, captain and manager for next year, will receive major awards from the University. Spencer Prentiss, whose work on the indoor team merits recognition, will receive a minor letter.

The team scores were: Army, 1390; G. W., 1381.

The individual scores for the G. W. team were:

Campbell 237
Lane 233
Parsons 232
Leighy 231
Riley 227
Radue 221

CO-ED RIFLERS END SEASON UNDEFEATED

Compete in Many Matches with Colleges from Entire Country to Uphold Previous Record

The Riflers of the George Washington University Women's team have completed their third undefeated year under the coaching of Walter Stokes.

The University team during the past season has shot against teams from Carnegie, West Virginia University, University of Washington, Oklahoma A. & M., University of Louisville, Washington University, Northwestern University, South Dakota University, Drexel College, Delaware University, Gettysburg, Wichita and Connecticut and has been victorious in each match.

Besides winning all meets with individual colleges, the G. W. girls won the National Rifle Association Championship, and the Dot and Circle Championship.

Six riflers from the University team placed among the first ten in the National Rifle Association Individual Championship matches.

Helen Taylor was high shot for the season at George Washington, running up a score of sixty consecutive bulls eyes for the season. Arline Spencer placed second and Betty Clark third.

W. A. C. MEETS TONIGHT

A meeting of the Women's Athletic Association will be held this evening, Wednesday, May 23, at 7.30, in the gymnasium. There are about sixty eligible for membership in the Association; all of whom are urged to attend this meeting. The constitution will be read, as well as officers elected.

THETA DELTS GO INTO LEAD IN ALPHA LEAGUE

Finley Plays Brilliantly as Theta Deltas Hop on "Babe" Clapper to Win

Theta Delta Chi baseball nine upset the dope last Sunday when they turned in a surprise 5 to 2 win over the unbeaten Acacia team. By strength of this victory the victors are now reposing at the head of the percentage column of Beta League with three wins and no defeats.

The Theta Delta Chi clan lost no time in pushing over their first marker. With a man out in the first inning, successive singles and an error netted a run. In the next two innings the Eye Street boys gained a further lead which was never lost.

The work of Finley, Theta Delta Chi shortstop, was especially bright as he went to the right and to the left to take hard chances on all points of the wet Friends School field and turn them into easy put-outs. Battle pitched a steady game for the victors and was afforded better support than was meted out to Clapper, stellar Acacia hurler.

Hull caught Battle's fast shoots while Walker was on the receiving end of Clapper's slants.

Blindfolded in scientific test of leading Cigarettes, James Montgomery Flagg selects Old Gold

Photograph of JAMES MONTGOMERY FLAGG, taken in his studio while test was being made

How Test Was Made

Subject was blindfolded, and, in the presence of two responsible witnesses, was given one each of the four leading cigarettes to smoke. To clear the taste, coffee was served before each cigarette. Mr. Flagg was entirely unaware of the identity of these cigarettes during test. After smoking the four cigarettes, Mr. Flagg was asked to designate by number his choice. He promptly replied, "Number 2," which was OLD GOLD.

JAMES MONTGOMERY FLAGG—Nationally known artist and creator of the famous Flagg girl.

After this test, Mr. Flagg wrote:

"Most of us smoke names and think we are smoking cigarettes! The blindfold test proved that to me. It proved also that it is difficult to tell one cigarette from another... except in the case of OLD GOLD... I spotted that... it suited me best even blindfolded. In fact, the man who said 'not a cough in a carload' knew whereof he spoke. It's the smoothness that identifies OLD GOLD. It needs no other trade mark."

GRADUATE FUND LAGGING BEHIND MARK SET IN '27

Only \$1,550, Representing 16 Pledges, Has Been Subscribed To Date

SENIORS ASKED TO SIGN ON THEIR OWN INITIATIVE

Legacy of Classes of 1928 to be Formally Presented to University Class Night

Pledges to the Graduate-Endowment Fund by the Classes of 1928 have reached a total of \$1,550 to date, according to the Board of Administrators of the Fund.

The pledges are distributed among the schools of the University as follows: Columbian College, 9; School of Education, 0; School of Engineering, 3; School of Pharmacy, 0; Law School, 4; School of Medicine, 0; Graduate School, 0; total, 16 pledges.

The amount pledged to the fund by last year's graduating classes was \$7,500, which doubled the amount pledged the year before when the fund was founded by the Classes of 1926.

It is the hope of the Board of Administrators that before Commencement the amount pledged by the Classes of 1928 will greatly exceed last year's total.

During the past few weeks the Senior Class Presidents with the aid of specially appointed committees have endeavored to present to each senior personally the aims of the fund, in order that all who desire may sign pledges.

Seniors Urged to Pledge

The task of interviewing some 450 seniors is an arduous one, and all members of the graduating classes who wish to subscribe are urged to do so on their own initiative. Pledge blanks may be obtained from the Senior Presidents or from the Alumni Office.

The Board of Administrators is anxious to have all pledges turned in before Class Night, June 12, when it is customary for the Graduating Classes formally to present their pledges, representing their legacy to the University, to the President.

The standard pledge to the fund is \$100, payable in ten yearly installments of \$10 each, the first of which is not due until one year from graduation.

The fund is to be devoted to the purchase of sites, erection of buildings and maintenance and purchase of equipment for the University.

Awards totalling \$17,500 cash and free music conservatory scholarships are being offered to college students throughout the United States along with other singers who win in the Atwater Kent Foundation's Second National Radio Audition.

This contest is open to all amateur singers between 18 and 25, inclusive. Local auditions will be heard in September, giving contestants more time for preparation than was given last year.

The aim of the Audition is to determine, by impartial means what singers in the country have voices of sufficient beauty and promise, to warrant professional training. As it is being conducted on the principle of elimination, all prospective candidates must enter through local community auditions.

Judged by Radio

In the State and District Auditions, voices will be heard over the radio, and will be judged by the votes of radio listeners, which will count 60 per cent, and opinions of competent judges, which will weigh 40 per cent. In the finals, which will be sung in New York next December over a national radio network, Sunday evening during one of the Atwater Kent Radio Hours, the winners will be determined solely by a board of nationally known judges.

Ten finalists will compete in New York City when the following awards in five groups will be divided among five boys and five girls, with identical gifts to a boy and a girl in each group: First, \$5,000, two years' musical tuition and a gold decoration; second, \$2,000, and one year's tuition; third, \$1,000 and one year's musical tuition; fourth, \$500; fifth, \$250. Expenses of all contestants will be paid to the district and final auditions. Winners of state auditions will receive silver medals and winners of district auditions will receive gold medals.

Students desiring to enter the 1928 Audition may address National Radio Audition Headquarters, Albee Building, Washington, D. C.

PRIZE SPEAKING OMITTED

The Davis Prize Speaking Contest is to be omitted this year because of the small number of students participating.

Those who have submitted their papers for the contest may get them from Eleanor Appich in the reserve section of the library.

Enjoys Can of Tobacco 16 Years Old

Waxahachie, Texas

Larus & Bro. Co.

Gentlemen:

The agent while going through his plunder stored in our baggage room came across a can of your tobacco, and account of his not using a pipe he made me a present of this tobacco.

You will note the revenue stamp and your memo which was inclosed. The tobacco was put up in 1910, sixteen years ago. But it was in good shape, of remarkable flavor, and was greatly enjoyed by me.

Thought you would be interested in knowing how your tobacco held out in these days of fast living.

Yours very truly,
(signed) Gordon McDonald
